

All My Love

Tammy Shay, Reggie Sykes

Verse:

G G/B
You are my gold, my treasure
C Em D/G D
The world can keep its pleasures
G G/B
For I have found what all men need
C Em G/D D
My one thing, the prize I seek

Chorus:

C G/B Em D
You cannot be measured by earthly means
Your beauty is real, unlike these worthless things
The one who is worthy to open the scroll
Am D G
You are worthy to have all my love

Bridge:

C D
As I journey on
Em D/F C
May my eyes be only Yours

Till this body meets the dust
Em D/F C
Let my Heart be one You trust
